Deanna Musgrave: Tropos

Fredericton, NB | September 22

Award-winning Saint John, New Brunswick, artist Deanna Musgrave unveils her ethereal 2011 creation *Tropos* on the University of New Brunswick's Fredericton campus. The 96x576 inch acrylic-on-canvas piece presents unique grid patterns that create a movement-illusion similar to a wave, while its colours contrast to create a luminous effect. Musgrave invites viewers to move with the painting, and in doing so she brilliantly combines their physical actions with their viewing experience.
